

NEGRO NATIONAL BASEBALL LEAGUE

SPECIAL BULLETIN

July 13, 1942.

TO THE OWNERS, MANAGERS AND UMPIRES

DEAR SIR:

By order of Thomas T. Wilson, President, kindly be advised that Club's of the Negro National League are permitted to use any players, providing, of course, they are not the property of any other Club in the Negro National or Negro American League.

There are no players lists on file with the President or Secretary, so it is not illegal to use a new man, or a veteran players, that is a free agent and does not belong to any other Club in the Negro National or Negro American League.

This notice is being sent in view of several protests that have been registered with the umpires, and to avoid any further such protests.

Many thanks for your cooperation in carrying out this understanding.

Sincerely,

THOMAS T. WILSON
President
